Academy At The Creek
Homeschool Co-op

ACADEMY AT THE CREEK

NEW FAMILIES

Dear Prospective Families,

We are so glad you are considering joining our growing community of homeschooling families at Academy at the Creek. As we prepare to enter our third year, we are excited to continue building a program that supports families through faith-centered education, meaningful community, and a shared commitment to learning.

At Academy at the Creek, we understand that homeschooling is more than an educational choice, it's a lifestyle. Our hybrid homeschool co-op is built on the values of collaboration, encouragement, and mutual support. By learning together, we create an enriching environment that benefits both students and parents while honoring each family's unique homeschool journey.

As our program continues to grow, we are excited to offer expanded opportunities, including Thursday à la carte class options for added flexibility and Tuesday after-school electives from 2:00–2:30 PM for students enrolled in our hybrid programs. These additions allow families to customize their experience while remaining rooted in the community and values of AATC.

This packet contains important information to guide you through the registration process, paperwork completion, and key details about the school. We are grateful for your interest and look forward to the possibility of welcoming your family into the Academy at the Creek community.

The Board at Academy At The Creek
