ACADEMY AT THE CREEK

RETURNING FAMILIES

Dear Current Academy At The Creek Families,

As we near the end of our second year and begin preparing for our third year at Academy at the Creek, we want to take a moment to express our sincere gratitude to each of you for your continued support, encouragement, and trust in AATC. What began as a vision has grown into a thriving homeschool community, and we are so thankful to walk this journey alongside you.

Over the past two years, your feedback has been instrumental in shaping the direction and growth of our program. We have listened carefully to your suggestions and worked diligently to refine and improve our offerings. These insights have helped us better serve our families and strengthen the foundation of Academy at the Creek as we move forward into the upcoming school year.

This year has been marked by meaningful growth, deeper connections, and exciting progress. None of this would be possible without the dedication of our returning families. Your willingness to volunteer, engage in community events, and invest in the success of our students continues to set the tone for what makes AATC such a special place.

As we look ahead, we are excited to expand our program by introducing Thursday à la carte class options, offering families additional flexibility while maintaining the values and quality you've come to expect from AATC. In addition, hybrid program students will have the opportunity to participate in after-school electives on Tuesdays from 2:00–2:30 PM. This new chapter reflects our commitment to growing thoughtfully and in response to the needs of our community.

At Academy at the Creek, our core values remain unchanged: faith-centered education, strong community support, academic excellence, and character development. These principles guide every decision we make as we strive to provide a nurturing, inspiring, and faith-driven environment for our students and families.

Thank you for being an essential part of the AATC family. We look forward to continuing this partnership and growing together as we step into our third year.

The Board at Academy At The Creek
